## COVID 19 PROTOCOLS

By now our students are getting used to the Covid 19 procedures in school, but we must guard against complacency. Some of the older students can get lax and need to be reminded to follow the protocols. Please help us with this by talking to them at home. We also need them to keep up with the protocols when they are in their public transport and when they are out in public places. We are continuing with all the preventive measures at school as outlined in the previous newsletter

## EXAMINATIONS

Secondary school has started mid-term examinations and the timetable went out last week. Parents/guardians are reminded that Secondary students dismiss at 1300hrs this week. Transporters should be notified. A parent's calendar will go out with this newsletter showing dates of end of term examinations and other important dates. There are not many events this term due to Corona hence there are a lot of blank spaces. Hopefully as we get used to the new normal next term there will be more events to show on the parent's calendar. Students should revise and prepare for these examinations because their results will go towards their promotion to the next level next year. (PLEASE NOTE THAT THE PRESIDENT DAY HOLIDAYS ARE ON MONDAY AND TUESDAY 20 AND 21 JULY)

# SECONDARY SATURDAY LESSONS

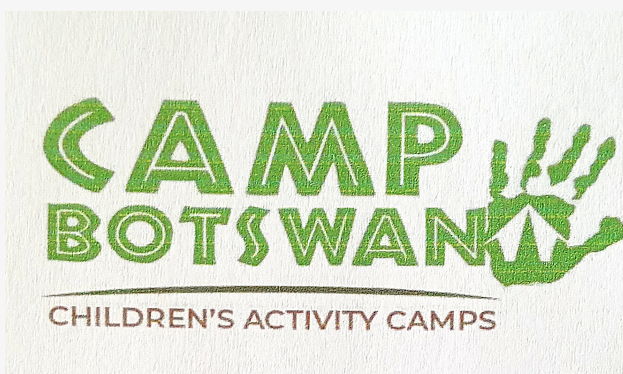

Some students have been asked to attend Saturday lessons. They can attend in casual attire, but they should still dress appropriately for a school setting. Parents should be notified in writing that their child is attending Saturday lessons. Classrooms or labs are disinfected after these lessons.

## TEACHERS DAY

We managed to celebrate Teachers Day despite the pandemic by treating our teachers to a light lunch on their day. Our IT officer, Ms Nthutang, made a quaint video of students wishing teachers well and put it on our Facebook page.

## STD 7 STUDY SKILLS WORKSHOP

On Saturday 25 July our std. 7s will have a workshop called BRAIN TRAINING DAY. Using fun games and activities students will strengthen their cogitative skills and develop their higher order thinking. We hope that this will help them with their final exams and with lifelong learning. It is being facilitated by an outside group called Camp Botswana. Students were sent all the details. Payment of P200 can be made at the Accounts Office.

# ART PRIZE WINNERS

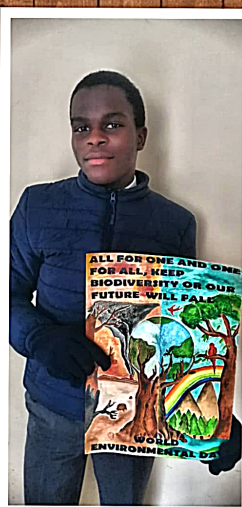

Some students won prizes for their artwork this term. Hazel Bojosi in Form 1B won the overall best artwork for the 2020 MOSO Calendar and her art is displayed on the front cover. Ayonka Nath in Std6B was the winner for the month of February.

## ENVIRONMENTAL DAY POSTER

Munashe Matimbira had the best Environmental Day poster for Form 3. Deogracias Kamba had the best for Form 2

Refilwe Mosekeimang for Form 1. Well done to all of them. Art is one way our students can express themselves during the Covid 19 period and have some fun while doing it.

# PRIMARY SCHOOL CIVVIES AND CREATIVE MASKS DAY

Thank you to all parents/guardians who helped their child to create their own mask. There were some colourful and inventive designs at all levels. We are glad to see our parents joining in on the fun.

# PARENTS CALENDAR
